Introduction

Innovative Approaches to Teaching was a great seminar which took place in the International Training Center in Prague in Czech Republic within the framework of the Erasmus Program in which our school participates.

Day 2

Activities and discussion about:

- 21st Century / Contemporary Skills
- What are the skills modern teacher needs ☒
- Different roles while working with learners
 - When is each of the roles useful ☒
- Teaching skills and/or competencies ☒

Critical & Creative thinking

How does the creative person look like?

Creative people - what are they like?

what makes a story?

Day 3

How does the good main character look like?

so how the story of a hero goes?

What is your story?
